Supervisor Molina made the following statement:

"The Apheresis/Automation Department of the American Red Cross Blood Services, a nonprofit organization dedicated to supplying the County of Los Angeles and the Nation with blood and blood products for the many patients who need them, are holding their annual recognition picnic in the Meadows Picnic Area of Whittier Narrows Regional Park, on October 3, 2004, to honor the many 500 platelet donors and their families who devote their personal time in order to save the lives of critically ill patients in our community. These donors provide an invaluable service to our community by ensuring that blood, platelets and plasma are available to every person when they need it."

Therefore, on motion of Supervisor Molina, seconded by Supervisor Burke, unanimously carried (Supervisor Antonovich being absent), the Board waived the area use fees in the amount of \$1,075.00 and reduced the parking fee to \$1.00 per vehicle, excluding the cost of liability insurance, at Whittier Narrows Recreation Area for the Apheresis/Automation Department of the American Red Cross Blood Services' annual recognition picnic for donors and their families, to be held October 3, 2004.
